COUNTRY CUTTING SCRAPE.

The colored contingent had a picnic near Bridgeport on Saturday. That evening three colored men, Ezra Vaughan, James Simms and John Russell became involved in a difficulty. In the course of which Vaughan was cut on the right cheek with a razor and shot through the right breast.

Simms and Russell were arrested and jailed to await the result of Vaughan's wounds, which are very serious.

DEVoured BY WORMS.

Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inanition, their food is not assimilated but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once, very much to the surprise and joy of the mother. 25c at Paul B. Weitzel's.

ABUSING FAMILY.

A man and his family, traveling in a wagon through the country, camped near the reservoir, on the Louisville pike, on Saturday night. Sunday morning the man loaded up on booze and began abusing his wife, throwing a skillet and some dishes at her. The frightened woman ran to the residence of Mr. W. H. Hawkins, near by and a gentleman passing notified the authorities, when Jailer M. L. Lawrence, went out and arrested the brute. He was found with a big 41 gun.

CIRCUIT COURT.

Monday next will be the opening day of the September term, of the Franklin Circuit Court, which will continue for three weeks. There is a heavy docket of civil cases and a moderate criminal docket. It promises to be a busy term for both lawyers and litigants.

DAREDEVIL DOROTHY.

Among the very strong list of attractions booked for the Capital Theatre by Manager McNamara is the latest English success, "Daredevil Dorothy." This play is now in its third year in England. Fred G. Berger and T. H. O'Neill were the successful bidders for the rights of the play in the United States and Canada. From all accounts this play is a decided novelty, as it appears to embrace nearly every phase of stage representations. There are four acts each ending with a stirring melodramatic scene, the plot is a strong one and the whole is replete with musical specialties and sparkling comedy. No doubt Berger and O'Neill have secured a winner.

GUILD ENTERTAINMENT.

The Ladies Guild of Ascension Episcopal Church will give a delightful entertainment at the residence of Mrs. Mary Hensley, on Tuesday evening. An attractive musical program has been arranged and delightful refreshments will be served. The entertainment is for the benefit of the mission fund. Admission 25 cents. Everybody invited.

TWO EXCURSIONS SUNDAY.

The L. & N. railroad will run an excursion train to Cincinnati tomorrow. Train will leave this city at 6 a. m. Fare for the round trip only \$1.25. This will be the last excursion to Cincinnati this season. The same road will give the low rate of \$1.00 for the round trip to Louisville tomorrow. Train leaves here at 7:55 a. m. Returning leaves Louisville at 6:10 p. m.

AUDITOR'S AGENT WINS FIRST BLOOD.

In the suit of Auditor's Agent Guy H. Briggs v. City of Frankfort to compel the city to pay tax on the Opera House, in the County Court, Judge J. H. Polsgrove decided, on Monday, that the city was liable for tax on \$9,000 worth of property for five years, making a total of \$45,000, which at 50 cents on the \$100 will make the comfortable sum of \$1,250.

The query comes up where is the money to come from to pay this sum? The city is bankrupt now. Cannot pay her officers, and their claims are being shaved right along. Of course, the case will be appealed, but that will only be staying off the evil day. It does seem like everything that can be taxed is coming under the ban, and even then the expenses keep ahead of the receipts. At this rate a receiver will have to be appointed before a great while.

SALE OF OLD-TIME FURNITURE.

Having rented her house, Mrs. Sam Steele will offer for sale, on Thursday, Sept. 24, a considerable quantity of old-time, valuable furniture. This is a rare opportunity for commissaire to obtain bargains.

BADLY BURNED.

When Mrs. Samuel Shea went to light the gas stove in her kitchen, on Sunday, there was an explosion which burned her quite severely about the head, hands and neck. Leakage in the pipes caused the trouble. Medical attention was at once rendered.

SPRAINED ANKLE.

Mr. Sterling, the advance agent of the Harris-Parkinson Stock Co. (which opens the amusement season on Monday night, at the Opera House), was so unfortunate as to sprain his ankle on Sunday last. Dr. J. S. Demaree attended to his injuries, and Mr. Sterling is doing very well.

21 YEARS A DYSPETIC.

R. H. Foster, 318 S. 2d St., Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for 21 years; tried many doctors without relief; recently I got a bottle of Herbine. One bottle cured me. I am now tapering off on the second. I have recommended it to my friends; it is curing them too." 9c at Paul B. Weitzel's.

PAYS INSURANCE.

On Tuesday last, Mr. C. A. Nelson, a Secretary of the Knights and Ladies of Honor, paid to the administrator of Col. Lewis Mangan, deceased, \$2,000, the full amount of the policy held upon the life of Col. Mangan in that organization.

The proofs of the loss were made and forwarded to the Supreme Lodge on the 24th of July, and this very liberal settlement shows that this organization takes care of its policy holders with commendable promptness.

NOBLE OLD ROMAN.

The Republicans of Greenup county have nominated Gov. W. J. Worthington as their candidate for Representative in the Legislature. If every county in the State would select such men from both parties, we would once more have a Legislature of which we might be proud.

BERESFORD COMING.

The coming of Harry Beresford in his new play "The Proessor's Love Story" will, in sections where he has been seen before, be watched with great interest. This young man has been proclaimed as the most legitimate of the younger day comedians upon the stage. His methods have been classed as a cross between that of the late Sol. Smith Russell and Nat Goodwin. We are told that he possesses the rich vein of pathos of the one and the quizzical comicisms of the other and that he aptly blends the two in so harmonious a manner as to leave a lasting impression of his work in the minds of everyone of his auditors.

"AN APACHE PRINCESS."

This is the title of the latest and most thrillingly interesting book by that virile, polished and thoroughly well-versed writer, Gen. Charles King.

It has 27 chapters, in a volume of 330 pages, each one of which is full of intense situations. The plot is well drawn and the scenes are all taken from army life on the plains of Arizona.

The whole is so thoroughly intertwined throughout that the imagination is kept at high tension from start to finish.

The book is from the press of the Hobart Company, New York City.

It will be ready for delivery about the 25th of this month. Price \$1.50.

It will be read with avidity by all who obtain a copy.

The last work published by Gen. King before this is entitled, "A Daughter of the Sioux," and has had a tremendous sale.

PRETTY BAD STORM.

About 5 o'clock, on Wednesday morning, heavy black clouds gathered in the west, and loud peals of thunder gave every indication of a stiff storm.

However, a big wind soon blew the clouds further west and precipitated a cyclone at the little settlement of Benson.

Two barns, belonging to our good old friend, Judge Dan Moore, filled with tobacco, were blown down and the contents badly damaged.

The barn of Mr. Jeff Smith was blown down and its contents, consisting of buggies, wagons, and agricultural implements, were smashed to kindling wood.

A number of other buildings were unroofed and otherwise damaged.

Altogether it was about as severe a storm as has visited that section in many long years.

It was followed by a heavy rain, which was of considerable benefit to the farmers.

HYMAN & DeTRALL.

AT THE OPERA HOUSE.

The Harris-Parkinson Stock Company, easily the most popular of Southern stock organizations, will open an engagement of one week at the Capital Theatre, Monday night, September 14th. The success of this company is due to the fact that they offer to the theatre-going public an entirely different class of shows from any other so-called repertoire company. The opening bill will be "Slaves of the Orient," which ran for 230 consecutive nights at the Union Square Theatre in New York and is to be staged in Frankfort with special Oriental scenery owned by the company and costumes made by Van Horn & Co., New York.

Mr. Robert H. Harris, recognized to-day as the most prominent of Southern actors, has secured the exclusive rights of this production to be played by a stock company at popular prices which are to be 10, 20 and 30 cents. There will be an entire change of program nightly and no waits between the acts as all intermissions are filled with Vaudeville and Specialty features—alone worth the price of admission. Ladies will be admitted free on the opening night when accompanied by person with one 30 cent ticket.

DR. C. C. LEWIS.

We publish in another column an account taken from the Owensboro Messenger of the death of our friend, Dr. C. C. Lewis, and put on record our sorrow at this sudden and untimely death, and our affection and esteem for this friend. He had hardly reached his intellectual prime; he was in the very harvest of an earnest, laborious and most successful life, and surrounded by those he loved and who loved him with surpassing affection; he had won his place in the permanent esteem and confidence of his community and his acquaintance, and the love and gratitude of his patient and their families; and, happily speaking, there stretched out before him years of comfortable and fruitful labor in a loved profession, and a life of honorable success, increasing influence and larger happiness. In a moment, without a struggle, free from pain, but alone, he passed from the love and honors of this life to the eternal glory and ineffable bliss of the life to come. For those he left behind our heart bleeds; to them we hold out loving sympathy and tender love. And yet he has left the priceless legacy of a pure life and noble career; the inestimable heritage of an honorable name and a loving association; the unchanging influence of a spotless example and an unselfish devotion.

Many years ago when a small lad we knew his scholarly and elegant grandfather; when, a young man just coming into the duties of life, his manly and earnest father was our friend; and during the years of the war his brothers were our beloved comrades, and, since the surrender, have been unselfish and loving friends, and he was our friend under all circumstances and at all times; and we feel as if we had lost a near and beloved relative; and mingle our tears with those who loved him.

We are truly glad that Bishop Hendrix returned Rev. C. J. Nugent to the charge of the Methodist Church in this city for another term. Mr. Nugent is a fearless and pious Christian gentleman, who has won the respect of every one who has come within his acquaintance since he became pastor here a year ago.

HARRY BERSFORD.

Love, the ever resourceful theme of the playwrights will have a capable exponent through the quaint personality of Professor Goodwillie in J. H. Barrie's brightest work "The Professor's Love Story." Those who have seen this same author's play, "The Little Minister," and have read his great character sketches may well anticipate a treat. The Professor, as played by Mr. Bersford, will give us a conception that may be classed new to the stage.

THE GENUINE vs. COUNTERFEITS.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by J. W. Gayle.

The abuse of the delicate organ, the eye, is a prevalent sin of this age and country. The Germans appreciating its delicate structure and sensitiveness, had a wise saying: "Touch not the eye except with your elbow." That is equivalent to saying, don't touch the eye at all.

A still further caution in reference to the eye is illustrated in the experience of those negligent persons who drope through life straining and ruining the sight instead of consulting upon the first sign of weakness, squinting or watering. Another fatal mistake is made by clinging too long to a favorite pair of glasses that may have once suited the conditions of sight perfectly and opened a new view of the world, but, alas! the days have sped by and age so changed the retina as to render your glasses worse than useless. Properly adjusted glasses will certainly preserve and strengthen the eye, while improperly adjusted glasses are positively so injurious as to be many times worse than no glasses at all.

Let us advise those who find the least interest in this article to avail themselves of an opportunity to consult Drs. Goldstein and allow them to straighten the matter out with them in short order. They are reliable and responsible, standing in the front rank of their profession and their skill is fully and thoroughly established throughout the territory in which they have practiced for many years.

Grip's

Grim Grasp Caused Heart Disease.

Could Not Lie On Left Side.

Dr. Miles' Heart Cure and Nerve Cured Me.

Mr. H. R. Jobe, formerly of Birmingham, Ala., writes from Eldridge, the same state, as follows:

"It is with the greatest pleasure that I recommend Dr. Miles' Nerve and Heart Cure. I only wish that I could tell every sufferer how much good they have done me. Last winter I had a severe attack of La-Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. I got your Heart Cure and took three bottles. I have no trouble now with my heart and can lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nerve. I felt better after the first few doses and two bottles of Nerve and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was."

BATTLESHIP KENTUCKY IN COLORS.

The Louisville, Henderson & St. Louis Railway has just had completed for distribution a large order of pictures of the Battleship Kentucky, which is a work of art and should be in every Kentucky home.

The picture is reproduced from a very fine, large, copyrighted photograph by Mr. Enrique Mueller, the official photographer for the United States Navy, taken as the ship is leaving New York harbor for a cruise. It is done in colors, the grey fighter slowly plowing its way through the carefully shaded green of the sea, and carrying at the top of her flag-staff the stars and stripes in their natural red, white and blue.

It is admirably suited for framing, but as it is gotten out on heavy, five-ply enamel cardboard, it will prove an ornament to any home without framing. Six cents in postage sent to L. J. Irwin, G. P. A., of the popular Henderson Route, at Louisville, Ky., will bring this beautiful picture to your home.

No need for fear sudden attacks of cholera infantum, dysentery, diarrhoea, summer complaint of any sort, if you have Dr. Fowler's Extract of Wild Strawberry in the medicine chest.

OWES HIS LIFE TO A NEIGHBOR'S KINDNESS.

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by all druggists.

Consumption

The only kind of consumption to fear is "neglected consumption."

People are learning that consumption is a curable disease. It is neglected consumption that is so often incurable.

At the faintest suspicion of consumption get a bottle of Scott's Emulsion and begin regular doses.

The use of Scott's Emulsion at once, has, in thousands of cases, turned the balance in favor of health.

Neglected consumption does not exist where Scott's Emulsion is.

Prompt use of Scott's Emulsion checks the disease while it can be checked.

CONSTITUTIONAL AMENDMENT

To Be Voted On at the November
Election.

CHAPTER 50.
An act to provide for an amendment
to Section 181 of the Constitution of
Kentucky.
"The General Assembly may, by
general laws only, authorize CITIES
OR TOWNS OF ANY CLASS to pro-
vide for taxation for municipal pur-
poses, on personal property, tangible
and intangible, based on income,
licenses or franchises, in lieu of an
ad valorem tax thereon;
"Provided, cities of the first class
shall not be authorized to omit the
imposition of an ad valorem tax on
such property of any steam railroad,
street railway, ferry, bridge, gas,
water, heating, telephone, telegraph,
electric light or electric power com-
pany."

A WOMAN'S COMPLEXION.

It is rank foolishness to attempt
to remove sallowness or greyness
of the skin by the use of cosmetics
or "local" treatment, as advocated
by the "beauty doctors." The only
safe and sure way that a woman
can improve her complexion is by
purifying and enriching the blood,
which can only be accomplished
by keeping the liver healthy and
active. The liver is the seat of dis-
ease and blood pollution. Green's
August Flower acts directly on the
liver, cleanses and enriches the
blood, purifies the complexion. It
also cures constipation, biliousness,
nervousness, and induces refresh-
ing sleep. A single bottle of August
Flower has been known to cure the
most pronounced and distressing
cases of dyspepsia and indigestion.
New trial size bottle, 25 cents; regu-
lar size, 75 cents. At all drug-
gists.

FRENCH LICK AND WEST BADEN SPRINGS

In the highlands of Indiana—a two hour ride from
Louisville there flow wonderful healing waters, that
you'd spend hundreds of dollars to enjoy if they were
in Europe.

A recent visitor from Philadelphia, who formerly
went to Carlsbad every year, said: "I do not see why
anyone goes to Europe for medicinal waters. The
water is as beneficial, and the scenery and surround-
ing country, the air and the opportunities for recrea-
tion are better; the hotels and accommodations are
much finer at French Lick-West Baden Springs—
and this gentleman is a native of Switzerland."

This splendidly wooded hills with the cool, invigorating
air of these highlands where one can enjoy rambling in
the depths of the forest, or rides and drives among the
numerous scenic paths and roadways, afford pleasure
for those who desire rest and quiet, while at the same
time and can also have all the entertainment and
social pleasures possible at the most fashionable resorts.

DISTRESS AFTER EATING CURED.

Judge W. T. Holland, of Greens-

A NOVEL THEATRICAL ATTRACTION.

An attraction, which is reported to be one of the few novelties of the present theatrical season, will be one of the early offerings at the Capital Theatre. The plot and play are something new, as in the unravelling of the story every branch of stage work is represented by the characters in the play. For those liking action there are strong melodramatic climaxes; for lovers of comic opera, charming operatic scenes; admirers of rich comedy are well supplied, while those enjoying a bit of variety will revel in superior singing and dancing while a touch of vaudeville is given in the circus scene in the 1st act. The title of this unique attraction is "Dare Devil Dorothy" and is styled by its authors as a melodramatic musical comedy novelty. The scenes are located in England and Australia and are said to be exceedingly realistic. A superb and expensive company has been organized by the managers, Messrs. F. G. Berger and H. T. O'Neil, who have secured a big winner in "Dare Devil Dorothy." The company is booked for a long run in New York beginning at an early date.

FAIR SPICES.

Good spices are desirable at any time, they are necessary now for the results of our care and labor during the canning and pickling season may depend upon them. We buy spices as carefully as the most delicate drugs and we have results to show for our caution. Grocers and housekeepers need no means of knowing whether or not their spices are pure; we have our spices so far apart and give better results, and hence would be cheaper if our prices were higher which they are not.

VINEGAR.

Pure old apple vinegar is another of our reasonable specialties which we like to have you come in and test the kind we carry. Guaranteed to be absolutely pure and as for flavor it surpasses anything that you can get in town.

LOW ONE-WAY SETTLERS' RATES TO THE NORTH-WEST AND CALIFORNIA.

From September 15 until November 30, 1903, the Burlington makes very low one-way colonist rates to California, Oregon, Washington, Idaho, Montana. The reduction is from 25 to 40 per cent. from the regular rates.

THE WAY TO GO.
The Burlington, with its strong main lines and free chair cars, best reaches the West and Northwest via Denver, Billings or St. Paul. "The Burlington-Northern Pacific Express" is the great daily through train with chair cars and tourist sleepers via Billings, Montana, to Puget Sound and intermediate points.

TO CALIFORNIA.
The Burlington's weekly personally conducted California excursions in through tourist sleepers are just the thing for coast tourists and settlers. The route is Denver, Seaside Colorado and Salt Lake.

HOMESEEKERS' EXCURSIONS.
These are run the first and third Tuesdays of each month at approximately half rates for the round trip.

It will be a pleasure for us to give you an accurate and informative reply to any inquiries.

GERMAN SYRUP.
We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market to-day that does relieve and cure consumption. It contains the specific, such as pure extracts of gum, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical colleges. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasms of coughing and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient must be of ordinary weight, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25 cents. Regular size, containing nearly four times as much, 75 cents. At all druggists.

WOMEN'S SYMPATHY.
Is Proverbial.
Frankfort Women No Exception.

How much we owe to the sympathetic side of womankind! When others suffer they cheerfully lend a helping hand. They tell you the means which brought relief to them that you may profit by their experience. Read the testimony given here by a Frankfort woman.

Mrs. Margaret Weitzel, of 318 Meno street, wife of Lucius Weitzel, baker by trade, now retired, says: "For a number of years I suffered from a persistent aching across the small of my back and through the kidneys. At times my back was so bad that I could hardly sit still, get up or down, or lift anything out of ordinary weight. At night it bothered me so that I could not rest comfortably and when I first arose in the morning I felt tired and weak. The kidney secretions were irregular, highly colored and distressing, and on standing deposited a heavy sediment. I saw in the papers an advertisement procured a box at J. W. Gayle's drug store and began to use them. In a few days I noticed that the secretions had assumed a natural appearance, the pains and aches left me and I felt as well as ever after completing the course. Nothing else pleased me more than to speak a word in favor of Doan's Kidney Pills."

For sale by all dealers: Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

THE PROPER TREATMENT FOR A SPRAINED ANKLE.

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by all druggists.

A PURGATIVE PLEASURE.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell, of Houston, Tex., says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by J. W. Gayle.

RAISED FROM THE DEAD.

C. W. Landis, "Porter" for the Oriental Hotel, Chenute, Kan., says: "I know what it was to suffer with neuralgia, 'deed I did, and I got a bottle of Ballard's Snow Liniment and I was raised from the dead." I tried to get it cured before I had 'deposited' of my bottle, I was cured entirely. I am 'n' do truth too." 25c, 50c and \$1.00 at Paul B. Weitzel's.

LATEST FASHION NOTES.

A Waist With Novel Fichu.

Leg-of-mutton sleeves promise to be very popular this summer, and are seen in the bodice here depicted. The principal feature of this waist is the novel fichu which extends well out on to the shoulder and meets in a point just above the waist line. Tucks also add to its further decoration, and are used to

good effect in the upper part of the sleeves.

Elbow sleeve, bracelet, and mitt are coming into vogue. Of mitt there are many kinds shown, but the most durable and beautiful are those which are of very fine hard twisted silk in very fine meshes. These are embroidered by hand after they are made.

ANCIENT TORTURE

How it has Been Revived in Modern Times.

An ancient method of poisoning criminals was to force them to swallow large quantities of bull's blood. Bull's blood is really no poison at all. Yet the prisoner usually died in agony. This was caused by the coagulation or hardening of the bull's blood in the stomach. The pressure of this solid mass on the heart, lungs and other vital organs almost always resulted fatally.

That's just indigestion. If your food doesn't digest it remains in a hard lump in the stomach. Gases are formed, which crowd and sometimes actually displace other organs. Many cases of supposed heart disease are due to indigestion. The pressure upon the lungs interferes with breathing. A disordered stomach affects the whole body.

By the use of such a preparation as Kodol Dyspepsia Cure all this trouble is removed. Before food can be assimilated into the system it must be reduced to proper condition by the digestive fluids. If any of these fluids are lacking, perfect digestion is impossible. Kodol Dyspepsia Cure supplies the missing fluids. Stomach troubles can be cured by dieting. The system demands both a sufficiency and a variety of food. You can't get well or stay well without it. Kodol Dyspepsia Cure enables the stomach to take care of any kind of good food. It renders dieting unnecessary. It digests what you eat. In this way it rests the stomach. This rest soon restores the stomach to perfect health. Kodol Dyspepsia Cure helps the children too. Weak and sickly little ones thrive on it. It never fails.

"During the last few years my stomach was in such condition that I couldn't retain the food I ate," writes Henry Williams of Bonville, Mo. "Two months ago I commenced taking Kodol Dyspepsia Cure. A few bottles have cured me entirely. I can now eat and enjoy anything I want to."

Kodol Dyspepsia Cure Cures All Stomach Troubles.

Prepared by E. C. DeWitt & Co., Chicago. The \$1 bottle contains 24 times the 50c. size.

Dyspepsia Cure

You might as well put fuel under a boiler without burning it and expect the engine to run, as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, Kodol Dyspepsia Cure will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa., writes:—"I have been afflicted for a number of years with dyspepsia and have tried various remedies without good results but was cured by one bottle of Kodol Dyspepsia Cure. I cannot say too much in its favor."

It can't help but do you good

Prepared by E. C. DeWitt & Co., Chicago. The \$1 bottle contains 24 times the 50c. size.

MORPHINE.

Can Morphine and Other Drug Habits Be Cured?

It has been long contended by
physicians that there is no cure for
the drug habit. This is true so far
as the rank and file of the medical
profession are concerned. The rea-
son therefor, is that they are ig-
norant of the full scope and nature
of the disease; but fortunately for
the cause of suffering humanity we
have demonstrated that the mor-
phine or other drug habits can be
cured and guarantee an absolute,
permanent and painless cure to
those addicted to the use of drugs
if they will take our treatment and
follow our instructions.

Each case submitted to us re-
ceives individual attention and
treatment from an experienced
nerve specialist. We do not detain
you from business. We give imme-
diate relief. Appetite for drugs is
